Position Title: <u>Learning Mgmt. System Manager</u>	Classification: <u>Staff ISA (Specialist)</u>		
Location: <u>Franchise Tax Board</u>	Section/Unit: <u>Human Resources Bureau/EDS</u>		
Salary Range: <u>\$4507-5480</u>	Number of Vacancies: <u>1</u>		

## Job Description:

Project Manager on the implementation of an online learning management system (LMS) and technical specialist on the design and implementation of the Employee Opportunity Network (EON) website. EON is a learning and career development portal for all department employees, located on the department's intranet. The LMS will be used department wide for course management, including an online course catalog, class scheduling, employee enrollment, and transcripts.

## Specific Tasks Include:

Lead the LMS implementation effort, including customizing the user interfaces and the relational database to be consistent with FTB needs and to be user-friendly for FTB employees.  
Convert current work processes to be online using the LMS, such as course registration and course evaluation.  
Analyze the EON site to determine where custom applications, such as Java applets, cookies, and online forms, can be added to streamline user interaction. Create the custom applications needed.

## Knowledge, Skills, and Abilities:

Working knowledge of database architecture, data communication protocols, and network configurations.  
Ability to act as a project manager in identifying and resolving complex technical and design issues.  
Proficiency in data processing concepts, practices, methods, and principles. Knowledge of database management and web-based work processes.  
Ability to work independently in identifying problems and designing solutions regarding the implementation of the LMS.  
Proficiency in Java Script, Visual Basic; knowledge of SQL servers and relational databases.  
Communicates effectively, both orally and in writing.
